## B17 Moses Lifted Up the Serpent, John 3:14-21, Fourth Sunday in Lent

As Moses lifted up the serpent, so must the Son of Man be lifted up. Moses lifted up the serpent so that his people could be cured diseases and illnesses. Jesus was lifted up to heal us of our sins. Because he was willing to suffer and die on the cross for us, our sins are forgiven. Do something nice for someone today in thankfulness for your many blessings and forgiveness of sins. This will lift them up in joy to the Lord.
